Laguna	Various Options available	Various	Please contact us for more information	Please contract us for more information

ARNEG LAGUNA RANGE DISPLAY CASE

The Arneg Laguna multiplex display case is designed for the display and sale of fresh Fish.

Thanks to its reduced visual impact and linear geometry, gives the product maximum visibility and attention.

Its flexibility and versatility make it suitable for any size outlet.

Laguna is designed to work with either a built in condensing unit or on a bed of ice.

ARNEG VENEZIA 2 RANGE SERVE OVER COUNTER

Model	Temp Range	H x W x D	RRP EXC VAT	Our Price EXC VAT
SYDNEY	Various Options available	Various	Please contact us for more information	Please contact us for more information

ARNEG SYDNEY RANGE SERVE OVER COUNTERS

These are the three key characteristics of the Venezia 2 refrigerated cabinet, in which the mechanical parts have been reduced in size to accommodate larger glass panels and offer a clearer view of the quality products on display. A wide range of customisation options plus minimalist design permit the creation of evolved layouts in all retail contexts, to the benefit of practicality and functionality.

TRIMCO PROVENCE RANGE SERVE-OVER COUNTER

A traditional style open top fresh fish or fresh meat display. Stainless steel deck, legs and rear shelf look great and make cleaning easier. The under slung refrigeration unit allows for a deeper deck to increase display area available. Crushed ice is recommended for the correct display of fresh fish.
